Motion to Dismiss/Quash Based on Jurisdiction and Dissolution

As to The Illinois Family Advocacy Coalition

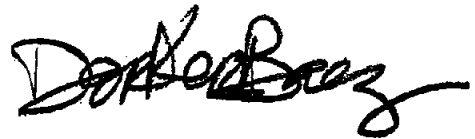

Comes now Dorothy Kernaghan-Baez to move for dismissal based on the following:

1. The Illinois Family Advocacy Coalition (IFAC) was an idea for an unincorporated association which conducted no activities outside the state of Illinois. IFAC had no assets of any kind in Colorado, and actually never had any assets at all.
2. IFAC was never engaged in business.

3. IFAC was a short lived plan to provide Family Advocacy and training to the public and Family Advocates in Illinois. In 2006, the founders dissolved IFAC with the intention of IFAC being absorbed into the National Association of Family Advocates (NAFA).

Therefore I ask that this Court liberally construe this motion as I am *pro se*, grant this motion to dismiss, and for any further relief this Court deems just and proper.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Dorothy Kernaghan-Baez". The signature is written in a cursive, somewhat stylized font.
