

Exhibit 12

Screen Shot of Shell's profane-justice.org website on May 2, 2004

Please note the defaced “Proud Member of AFRA logo” that says “UNSUPPORTED” across it diagonally, and the verbiage above it-

*“Disclaimer: While a member of AFRA, AFAC does not enjoy the support of AFRA due to AFAC's uncompromising 'controversial' stand on exposing unethical and incompetent self-professed 'advocates'.”*
