The mother was later arrested on charges of injury to a child through recklessness. The child was released from the hospital two domesticated, she said. "Before you buy a rat, you need to be sure you know everything about taking care of them, just as you would a dog," Ms. Conover said. "Domestic rats are descended from Norway rats," Ms. Deaconmun said. "Black Death was spread by roof rats, or black rats."

Man dies after car crash
The Dallas Morning News: Richard Young-Tadart
 A Dallas police officer looks over a car that slammed into a building at the corner of Main Street and Pearl Expressway. The driver had been shot in the head, and his car smashed into another vehicle Saturday. He died later at Methodist Medical Center.
